19 Sir:

20 This is a supplemental Amendment to an Amendment mailed
21 on 31 December, 2002, regarding the above-identified Patent
22 Application in response to an Office Action Summary dated
23 3/21/2003. The undersigned, J. Ronald Richebourg, is a newly
24 appointed Associate to the Attorney of Record in accordance with
25 an attached Appointment of Associate Attorney. During a
26 telephone conference by the undersigned with the Examiner, it was
27 stated that the previously filed Amendment could not be entered
28 due to a mismatch of page and line numbers. A copy of the
29 Specification is attached with the proposed Amendments marked
30 thereon. A repeat of the proposed Amendment is as follows:
